

**I am going to McWane
Science Center today!**

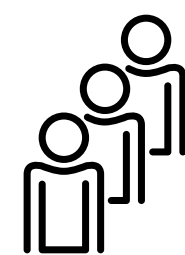

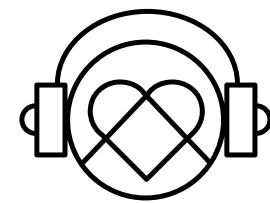

The McWane Science Center is a big place where people can **discover, explore, learn about science,** and **have fun!** When I get to McWane it might be loud and crowded, but that is **okay.**

When I get to McWane, we will park in the **parking deck** and ride the elevator to the **lobby**. The parking deck and lobby may have a lot of people and loud noises, so I will be prepared for that.

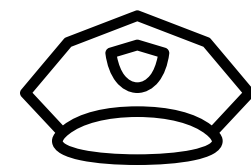

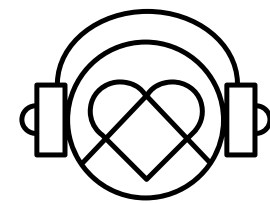

I will **wait** in line with my group/family. When it is my turn, I will get a **sticker** that will let me enter the center. When everyone has their sticker, I will **walk** with my group and show a security guard or staff member my sticker.

Security guards wear **white** shirts and **black** pants. The McWane staff wear **blue** shirt with a **yellow** patch on the front. If I have any questions or need help, I can ask a security guard, a staff member or someone in my group.

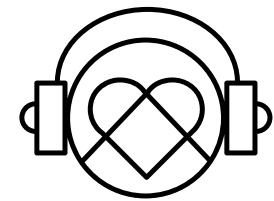

There are many exhibits at the McWane Center. My group and I will decide where we will go. I need to **stay with my group**. Staying with my group helps keep me safe.

www.kulturecity.org

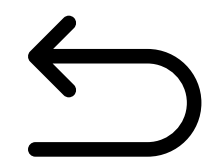

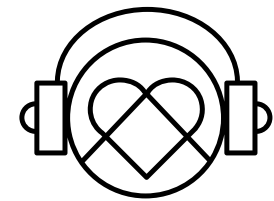

I need to **walk**. Walking helps keep everyone **safe**.

www.kulturecity.org

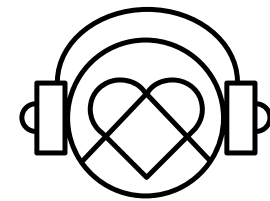

I need to **listen and follow** directions. Listening and following directions helps keep everyone **safe.**

www.kulturecity.org

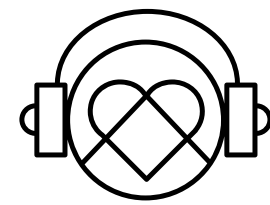

I may need to **wait** or **take turns** with other visitors. Waiting and taking turns helps keep everyone **safe** and makes sure everyone has **fun**.

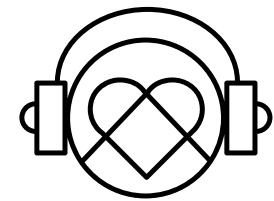

If I am feeling **overwhelmed**, I can ask to go to a **quiet space**. The McWane staff can direct me to the closest one.

www.kulturecity.org

The McWane Center also has **sensory bags** and a **sensory room** that can **help** me **calm** down. A **staff member** can help me with this.

www.kulturecity.org

I will **listen** and **follow directions** when it is time to leave the McWane Science Center. I may not get a chance to explore everything, but that is okay, I can come back another day.
