

Half-Day Camp: Grades 4K-K

All Aboard! (Tuesday, Dec 26)

It's full steam ahead as we investigate the wonderful world of trains.

Rudolph's Flight Crew (Wednesday, Dec 27)

Join your fellow reindeer trainees as we prepare to take flight and light up the night!

Itty Bitty Bake Off (Thursday, Dec 28)

Cozy up for a delicious morning in our Itty Bitty bakery, as we mix sweet treats with a little science.

Tinker Toy Shoppe (Friday, Dec 29)

Grab your tinker tools and jingle bells as we design and build inventions to spark holiday cheer.

Full-Day Camp: Grades 1-3

Out of this World (Tuesday, Dec 26)

Buckle up for blast off, as we prepare to explore the far reaches of our solar system and beyond!

Winter Wonderlab (Wednesday, Dec 27)

Gather 'round our Wintery Workshop for design challenges and creation sensations!

Chills and Thrills (Thursday, Dec 28)

Chill out with the McWaniacs as we explore the COOLEST science hits of the season!

SEAsons Greetings (Friday, Dec 29)

Dive into the science of the season with our grand aquatic adventures!

Full-Day Camp: Grades 4-6

Winter Wizardry (Tuesday, Dec 26)

Don your Wizarding robes & embark on an alchemical adventure through the science of magic, new & old!

Cosmic Explorers (Wednesday, Dec 27)

We're boldly going on a trek through space. Rockets, robotic rovers, and more will take us to strange new worlds.

Icy Inventors (Thursday, Dec 28)

Do you want to build with snow, man? Building with ice is twice as nice in this engineering extravaganza!

Freeze-or-Burn (Friday, Dec 29)

Too hot? Too cold? Come on in, this camp is just right as we experience the perfection of polar opposites!
