

Sparking wonder and curiosity about our world through hands-on science experiences

If you like sharing science with adults and children of a wide variety of ages, have a great stage presence, and want to travel around Alabama, this 10-week position is for you! The **Summer Outreach Presenter** will bring exciting science programs to libraries and other venues across the state, working with the McWane education staff to present demonstrations and hands-on activities about engineering, space exploration, chemistry and more.

Summer Outreach Presenter duties include leading educational presentations (shows, demonstrations, classroom presentations) and answering questions about presentations; preparing for and clean-up of supplies for programs; ensuring all supplies and equipment are in stock and in working order; presenting at a high level of professionalism when carrying out assigned duties.

This position will begin on Monday, May 20, 2024 and run through Friday, July 26, 2024. This position will be scheduled to work 28 hours per week.

Minimum Qualifications:

Applicant must possess a Bachelor's degree or be working toward a degree in science, education, or related field; possess dynamic public speaking and presentation skills; have the ability to travel throughout the state of Alabama with a valid driver's license and personal vehicle liability insurance as required by state law; have acceptable results from a motor vehicle report as well as a variety of background checks; must be able to interact well with diverse audiences of all ages and possess excellent customer service and interpersonal skills; and have the ability to take initiative and present with little supervision.

Physical qualifications include, but are not limited to, being able to: operate a motor vehicle; load equipment in and out of vehicles; sit and/or stand for extended periods of time; pull/push/lift objects frequently in performing the work; carry objects on a regular basis in the arms or on the shoulders; grasp objects utilizing the fingers; and having hearing and visual acuity.

Benefits include FREE entry to McWane Science Center Adventure Halls; discounts in our IMAX Dome Theater, gift shop and food service area; and on-site parking.

We look forward to hearing from you!

Please forward letter of interest, resume and rate of pay requirements to McWane Science Center Human Resources at HR@mcwane.org. EOE.
