

Winter Camps 2024

* Note: 4K-K Camps Are Half-Day Camps

Grades 1-7 Are Full-Day Camps

December 30

Grade	Title	Full Description
4K-K	Freeze the Day	Bundle up! The forecast calls for icy conditions at McWane. Prepare to face off against ice's greatest enemy: heat.
1 st -3 rd Grade	Sub-Zero Science	It's 109 below and the ice is getting weird. Try chilly chemistry experiments and end the day with a delicious, supercold dessert.
4 th -6 th Grade	Arctic Explorers	Trek to the frozen tundra, learn how arctic animals survive frigid temperatures, and end the day with refreshing liquid nitrogen ice cream.

December 31

Grade	Title	Full Description
4K-K	Pop Goes the Science	Get ready for a scientific celebration as we pop, fizz, and whirl into the new year with experiments that will make your curiosity soar!
1 st -3 rd Grade	Countdown to Curiosity	Join us for a science celebration that'll have you counting down to the coolest discoveries of the year!
4 th -6 th Grade	Ignite the Night	Dive into a spectacular year-end bash with mind-blowing experiments and epic fun that'll leave you buzzing!

January 2

Grade	Title	Full Description
4K-K	Tinker Toy Shoppe	Step into the tinker shop to explore new tools, try out cool tech, and make amazing creations to bring your imagination to life.
1 st -3 rd Grade	Workshop Wonderland	From engineering solutions for holiday disasters to lighting things up with circuits and robots, this workshop will be a building bonanza.
4 th -6 th Grade	Tech the Halls	Put those problem-solving skills to the test with everything from circuits and coding to motors and machines.

January 3

Grade	Title	Full Description
4K-K	Itty Bitty Bake Off	Guess what's roasting on an open fire in this culinary extravaganza!
1 st -3 rd Grade	Seasons Eatings	Get ready to chow down on some surprising food science that's anything but bite-sized.
4 th -6 th Grade	Chaos Kitchen	Join us in the kitchen if you can stand the heat as we learn culinary secrets that might be hard to swallow.
